Les feutres aussi

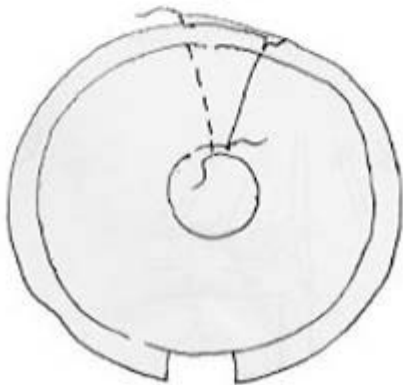

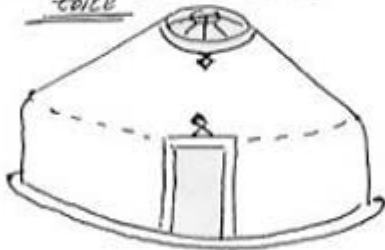

Une yourte a 2 parties -
feutres comme ca.
C'est les feutres, qu'ils
doivent mettre
au dessus
d'une
yourte.

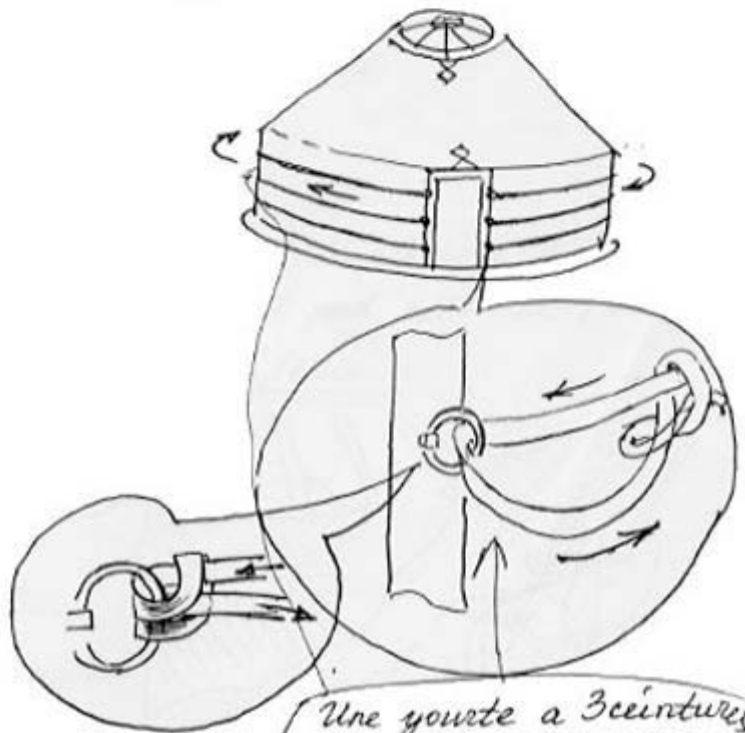

⑨ ^{toiles} (V) les trois verts (parfois blanc) ~~solide~~ d'armée russe
solide, qui protège de la pluie.
Après, il faut mettre,

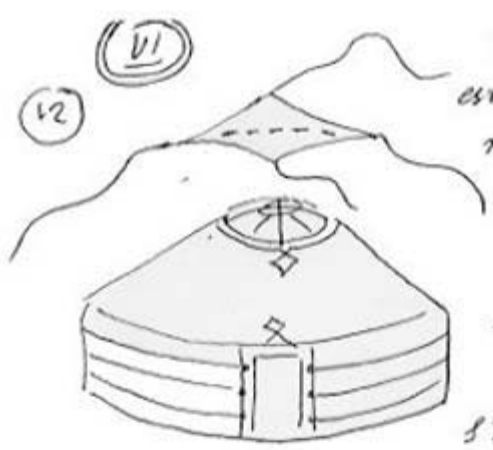

⑩ Après, il faut mettre
le tissu extérieur (blanc / fin)
toile

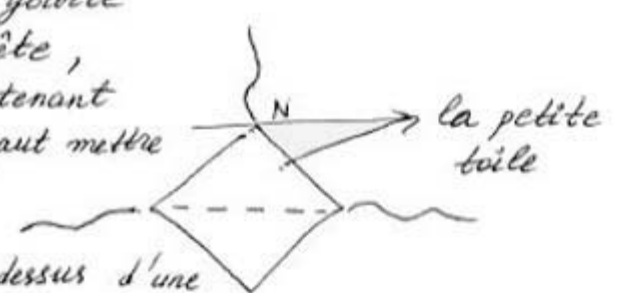

⑪

Une ceinture a 3 ceintures
extérieures, et il faut
attacher comme ça ⑨

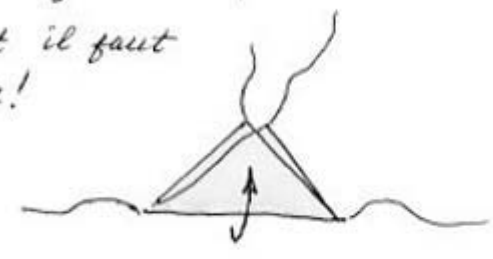

Une yourte est prête, maintenant il faut mettre

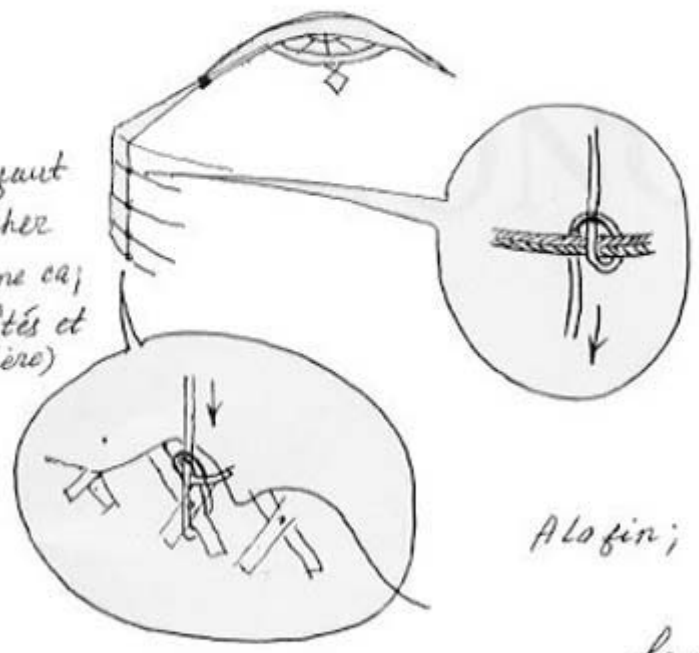

au-dessus d'une yourte.

s'il fait froid ou } S
s'il pleut il faut couvrir!

Il faut tacher (comme ça; 2 côtés et derrière)

A la fin; à l'intérieure d'une yourte il faut attacher / mettre le rideau.
